Mr. Tim Burns  
Tim Burns for Congress  
P.O. Box 4483  
Eighty Four, PA 15330

Dear Mr. Burns:

In the race for Congress in Pennsylvania's 12<sup>th</sup> Congressional District, Citizens Against Higher Taxes is proud to endorse your candidacy. As a businessman who created 400 new jobs you understand what it takes to control cost and reign in spending. I know you will bring the same fiscal sense and fiscal discipline to Washington.

After reviewing all of the candidates, it is clear that you are the best candidate to protect taxpayers. You got into this race to fix our broken system of government, end the bailouts, cut wasteful spending and lower taxes. You are the only candidate who has signed the Taxpayer Protection Pledge promising never to raise taxes, and you are the only candidate who has promised to repeal the health care bill that is a half a trillion tax hike.

I am confident that taxpayers will be well served with you in Congress. We are troubled by the recent health care takeover and now efforts to implement a Value Added Tax that your opponent Mark Critz has not ruled out supporting. Even more troubling is Mark Critz's refusal to sign a pledge never to raise taxes.

I wish you the best of luck in both the upcoming Primary Election and Special Election. Thank you for your steadfast support of taxpayers.

Sincerely,

Jim Broussard, Chairman
